Summer 2018 went by so fast
But the memories we made are sure to last

We played hockey, bounced on bungee and swam in the pool
But now it is time to go back to school

Look out for our email about the Kenwal Spring Fling, it is anything but small
We can't wait to see you, we are sure to have a ball

Remember the fun times at camp as the weather gets colder
We can't wait to see you next summer as you become one year older

As you look back on our Soph Boy summer, I hope your smiles never fade
Have a fun time this school year and good luck in FIRST and SECOND grade!
