**Senior Girls**

It is sad to say that this is the last week of Kenwal Day Camp! I can't believe that the summer is over! We had a great last week of Kenwal with lots of fun activities and a bagel party to finish off the end of the season! It has been a pleasure being the group leader of this group of Senior Girls 2018. With all the fun memories with new and old friends, I hope all the girls had the time of their lives this summer! I hope everyone has a fantastic school year and I look forward to seeing everyone in summer 2019. Thank you again for a great summer Senior Girls 2018!
