Teen Boy's Week 8 Newsletter

To start off our final week of camp, we went bowling at Smithtown Bolero lanes. The day was filled with strikes and spares and the campers loved edible art when we got back to camp. On Tuesday, after a day at camp we went to see the bright lights of Broadway where we saw *SpongeBob SquarePants*. Campers loved the show and enjoyed singing along to some of their favorite songs from the TV show. On Wednesday, we had our last trip of the summer to Skyzone. Here campers flipped and jumped their way into the end of the summer. On Thursday, we enjoyed another activity filled day at camp, where we also got to enjoy the Kenwal production of *The Wizard of Oz*. We then finished the week at camp and said our goodbyes to old and new friends from this summer.

Cannot believe that the summer is already over! All the staff would like to thank all the campers and parents for all the support this summer! We hope everyone had a great summer and we cannot wait to see everyone back next year.
