Junior Boys Summer 2018

Week 8

With the conclusion of week 8, summer 2018 comes to a close at Kenwal Day Camp. It has been a pleasure sharing the summer with the Junior Boys.

This week, the boys enjoyed last licks at favorite activities. The boys flew high on the bungee, teed up at the driving range and soared on the zip line. Some boys played hockey while others slid on the hill at tubing. Magic, Arcade and Edible Art remained crowd favorites this week. On Wednesday, we enjoyed another Kids Day, and the Junior boys bounced, climbed and jumped on the array of inflatables set up in our field.

On Wednesday, we enjoyed the Kenwal's production of the Wizard of Oz, and cheered the Junior Boys who participated. Congratulations to Ciro Carretto, Gavin Cardizo, Teddy Christensen, Riley Partain and A.J. Porelli for a great performance. On Friday, our last day of the camp, the boys enjoyed the Retro Friday as well as the cool summer tunes of the DJ.

We thank you for sharing the summer with us and wish you much success in the coming school year. The boys are now ready for third grade.

Be sure to check the Swimmer of the Week newsletter to learn about our wonderful swim program. Enjoy your weekend and have the boys rest up for another exciting week at Kenwal.
