Dear Parents & Guardians,  
 Congratulations!! Your child has auditioned for and received a part in our Kenwal Players' production of "Elf Jr. the Musical."

**This summer, due to Covid 19 and necessary social distancing, campers will rehearse for the show in their pods. Then each pod will perform at camp, their parts will be filmed and, with the magic of editing, we will compile our show into a movie musical to be distributed or posted on our website for families and friends to view! In order to remain safe and sanitary, we are asking that most campers provide their own costume pieces.**

**Over the coming weeks, each pod will be assigned a filming day to record their scenes. Please send in all of your child's costume needs by his/her deadline below. All cast members should bring their costumes to camp in a closeable bag with their name on it. They **SHOULD NOT** wear their costumes to camp. Please label all costume items, especially things that we will have many of (elf costumes, winter hats, etc.)**

**COSTUMES**

**\*Please note: ELF JR. takes place in today's time period, during the winter. Costumes can look current/modern and something you would wear in cold weather.\***

**"Happy All the Time" Elves:** Our elves live in the North Pole, helping Santa make toys and prepare for Christmas. Girls can wear an elf Halloween costume, a top with a skirt or pants, or a dress with elf shoes, dance shoes, jazz shoes or ballet flats. Hairstyles should be fun and whimsical – pigtails, braids, etc. Everyone should stay in the red/green/white/gold color scheme. Don't forget accessories! Finish your look with a sash, belt, hat, high socks, etc.

**"World's Greatest Dad", "A Christmas Song", and "A Christmas Song Reprise" New Yorkers:** These New Yorkers are outside walking around New York City when they bump into Buddy the Elf and join in his song and dance. All New Yorkers can wear an "outdoor look" consisting of pants and a sweater, long sleeve shirt, hoodie, or light jacket. **LARGE OR PUFFY WINTER COATS ARE NOT NECESSARY!** Dig out your winter accessories and pair your look with a hat, scarf, gloves, etc. Feel free to add "2020 looking" items like a unicorn hat or Harry Potter scarf or "New York" items like a Yankees/Mets/Giants/Jets jacket or hat. Don't be afraid to be creative and have fun – maybe a Christmas/Hanukkah/Winter ugly sweater?

**"Sparklejollytwinklejingley" Macy's Employees:** The Macy's employees work in the children's department preparing for children to come take pictures with mall Santa. Girls should wear black pants or a black skirt with a solid colored RED or GREEN top. Pair that with dance shoes, jazz shoes or ballet flats. Aprons and store name tags will be provided!
