## Inter Boys 2020

### The Final Week

As we wrap up the final week of camp, my counselors and I would just like to say that we've had an incredible experience spending time with all the children this summer. Although times were tough, we hope we've made the camping experience the best it could have possibly been. With that being said, we wish everyone the best of luck this school year as our Inter Boys take on 3<sup>rd</sup> and 4<sup>th</sup> grade! We also hope that everyone has a fun and safe winter!

This week, the boys had an absolute blast. Monday, we all enjoyed a camp cookout. Tuesday was pirate day and some of our boys really got into it with eye patches and all sorts of cool gadgets. On Thursday, it was Hawaii Day at camp and we also enjoyed a MASSIVE foam party! It was a huge day!! Friday, we will conclude our fun filled camp season with the DJ as the boys will have a designated period dedicated to listening to the music. .

We can't believe how fast this summer has gone and we are all so sad to see it end! Although masked up, the counselors always came to camp with a smile on their face and had such a fun time playing games and various activities with the boys! With that said, we hope your child had an incredible camp experience and we can't wait to see them back in 10 months!
