Nursery and Kindergarten News!

Week #8 has come to an end, but we're glad to now say we have many new friends! This summer we swam and played; and, we never thought we would be ahead of those days. We learned how to swim and slide at Waterpark too. We were artistic in Arts and Crafts and on Zipline Course we zoomed. We came to camp with moustaches, crazy hair, and tie-dye shorts. Some of us even tried some new foods, and it was impossible to leave camp in anything but a great mood!

As a new year of preschool and kindergarten approaches, we hold the experiences we had this summer in our hearts. We cannot wait to make even new friends and, in September, have a brand new start. As the year continues, we'll look ahead and smile because we know Kenwal summer 2021 will be here in just a short while!
